

Xenia Whitacre
Deputy, Head of Global Insurance
Solvay SA

Xenia Whitacre is the Deputy Head of Global Insurance for Solvay SA, a Brussels-based multinational Chemicals & Materials Company. Whitacre leads several of the Global Program Placements (General/Products/Aircraft Products/Environmental Liability, as well as D&O/Fiduciary/Employment Practices) for the Group globally. She also oversees the U.S. Insurance Team from her office in Princeton, NJ.

Whitacre has a bachelor's degree in International Studies, a master's in International Business and a Juris Doctorate. She has been working in risk management and insurance for multinational companies for about 20 years.
