

State Reopening Orders & Application to Retail and Non-Retail Operations

State	Retail Operations	Non-Retail Operations	Both	Local Control
<p>Alabama</p> <p>Amended Statewide Public Health Order Fact Sheet</p> <p>Apr. 28, 2020</p>	<p>Requires <u>all retail stores</u> to:</p> <ul style="list-style-type: none"> • Limit occupancy to no more than 50% of normal occupancy. • Try to prevent customers or patrons from congregating within 6 feet of one another. • Take reasonable steps to comply with CDC and DPH sanitation guidelines. 	<p><i>See Both Column</i></p>	<p>Requires employers to take reasonable steps, “where practicable as work duties permit,” to:</p> <ul style="list-style-type: none"> • Avoid gatherings of 10+ employees. • Maintain 6 feet of separation between employees. • Regularly disinfect frequently used items and surfaces. • Encourage handwashing. • Prevent employees who are sick from coming into contact with others. • Facilitate remote working arrangements. • Minimize employee travel. 	<p>Generally, supersedes and preempts any county and municipal orders or ordinances that purport to impose <u>less stringent</u> COVID-19-related curfew or quarantine measures.</p> <p>Authorizes the Jefferson and Mobile County Health Officers, after approval by the State Health Officer, to implement more stringent measures as local circumstances require.</p>
<p>Alaska</p> <p>Health Mandate 016 Press Release Attachment E (Retail Businesses) Press Release Attachment H (Non-Public-Facing Businesses) FAQs Phase 3/4 Guidance</p> <p>May 21, 2020</p>	<p><i>Note that all mandates have now been changed to advisories.</i></p> <p>Beginning <u>May 8, 2020</u>, provides that <u>non-essential</u> retail businesses must meet all of the following requirements:</p> <ul style="list-style-type: none"> • Restrict occupancy to no more than 50% maximum business occupancy at one time. • Maintain social distance of at least 6 feet between non-household individuals. • Limit household party size per visit. • Provide entryway signage 	<p><i>Note that all mandates have now been changed to advisories.</i></p> <p>Beginning <u>May 8, 2020</u>, requires <u>non-essential non-public-facing</u> businesses to meet the following requirements:</p> <ul style="list-style-type: none"> • All occupied desks, cubicles, or open work spaces must be at least 6 feet apart. • Any high-risk employee must be provided an 	<p><i>Note that all mandates have now been changed to advisories.</i></p> <p><i>Note that workers that provide insurance services are deemed “essential.”</i></p> <p>Provides that <u>both non-essential retail businesses and non-essential non-public facing businesses</u> must meet the following requirements:</p> <ul style="list-style-type: none"> • Encourage that cloth face coverings be worn by all employees (both) and customers (retail). • Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff. • Provide hand washing capability or 	<p></p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
	<p>notifying the public of the business’ COVID-19 Mitigation Plan.</p>	<p>alternative workspace and/or special accommodations to mitigate the risk of the employee’s exposure to colleagues and others at the business.</p> <ul style="list-style-type: none"> • Employers should make efforts to maximize remote work opportunities. • Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance. 	<p>sanitizer.</p> <ul style="list-style-type: none"> • Enforce frequent handwashing. • Make available an adequate supply of soap, disinfectant, hand sanitizer, and paper towels. • Provide for hourly (retail)/daily (non-public-facing) touchpoint sanitization throughout the worksite. • Provide training for employees regarding the COVID-19 Mitigation Plan. • Conduct pre-shift screening and maintain a staff screening log. • No employee displaying symptoms of COVID-19 will provide services to customers. • No person may work within 72 hours of exhibiting a fever. • Conduct cleaning and disinfecting in compliance with CDC protocols, etc. • Perform CDC cleaning and disinfecting as soon as possible when an active employee is identified as being COVID-19 positive. 	
<p>Arizona</p> <p>Executive Order 2020-33 Executive Order 2020-36</p> <p>May 12, 2020</p>	<p><i>See Both Column</i></p>	<p><i>See Both Column</i></p>	<p><i>Note that insurance services are “essential functions.”</i></p> <p>Requires businesses and entities classified as “essential functions” to remain open and maintain operations, provided they establish and implement social distancing and sanitation measures established by the Department of Labor and ADHS.</p> <p>Requires any businesses that physically operates in the state and serves the public/is an employer to “develop, establish, and implement policies based on guidance from the</p>	<p>Prohibits any county, city, or town to make or issue any order, rule, or regulation that conflicts with the <u>or is in addition to</u> the policy, directives, or intent of the reopening executive order, including—but not limited to—any order restricting persons from leaving their home due to the COVID-19 public health emergency, or any</p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
			<p>CDC, Department of Labor, Occupational Safety and Health Administration, and ADHS to limit and mitigate the spread of COVID-19,” including:</p> <ul style="list-style-type: none"> • Promoting healthy hygiene practices. • Intensifying cleaning, disinfection, and ventilation practices. • Monitoring for sickness. • Ensuring physical distancing. • Providing necessary protective equipment. • Allowing for and encouraging teleworking where feasible. • Providing plans, where possible, to return to work in phases. • Limiting the congregation of groups to no more than 10 people when feasible and in relation to the size of the location. 	<p>other order, rule, or regulation that was not in place as of March 11, 2020.</p>
<p>Arkansas</p>	<p><i>No Shelter in Place/Stay at Home Order was issued statewide.</i></p> <p>Reopening guidance has been issued for barbershops, cosmetology salons, massage therapists, etc. (May 6, 2020); gyms/fitness centers (May 4, 2020); limited dine-in restaurant service (May 11, 2020); and theaters, lecture halls, other large venues (May 18, 2020).</p>			
<p>California</p> <p>Resilience Roadmap Press Release Guidance for Office Workspaces Guidance for Retailers Roadmap Counties</p>	<ul style="list-style-type: none"> • Take measures at checkout stations to minimize exposure between cashiers and customers (e.g., Plexiglas barriers). • Dedicate shopping hours for vulnerable populations. • Increase pickup and delivery service options for customers. • Provide a single, clearly designated entrance and 	<ul style="list-style-type: none"> • Use telework options and modified work schedules. • Redesign office spaces, cubicles, etc. and decrease the capacity for conference and meeting to ensure workspaces allow for 6 feet between 	<p>Before reopening, all facilities must:</p> <ul style="list-style-type: none"> • Establish a written COVID-19 prevention plan at every office location, perform a comprehensive risk assessment of all work areas, and designate a person at each office workspace/retail facility to implement the plan. • Identify contact information for the local health department where the facility is located for communicating information about COVID-19 outbreaks among employees. 	<p>Provides that if a county decides to pursue a variance to vary from the state guidance, the local public health officer must:</p> <ul style="list-style-type: none"> • Notify the California Department of Public Health (CDPH). • Certify through submission of a written attestation to CDPH that the

State	Retail Operations	Non-Retail Operations	Both	Local Control
May 7, 2020	<p>separate exit to help maintain physical distancing where possible.</p> <ul style="list-style-type: none"> Adjust maximum occupancy rules based on the size of the facility to limit the number of people in a store, using no more than 50% maximum occupancy. Be prepared to cue customers outside. Encourage employees to practice physical distancing during pickup and delivery. Make some locations pickup- or delivery-only. Adjust in-person meetings to ensure physical distance and use smaller individual meetings. Clean and sanitize shared equipment. Clean touchable surfaces between shifts or between users, whichever is more frequent, including but not limited to working surfaces, tools, and stationary and mobile equipment controls. Equip customer entrances and exits, checkout stations, etc. with proper sanitation products and provide personal and sanitizers to all frontline staff. Ensure that sanitary facilities stay operational and stocked at all times. 	<p>employees.</p> <ul style="list-style-type: none"> Establish directional hallways and passageways for foot traffic, if possible. Designate separate routes for entry and exit into office spaces to help maintain social distancing. Limit the number of individuals riding in an elevator and ensure the use of face coverings. Utilize work practices to limit the number of employees at the office at one time. Discontinue nonessential travel and encourage distance meetings. Require employees to avoid handshakes and similar greetings that break physical distance. Dedicate staff to direct guests to meeting rooms upon entry to office 	<ul style="list-style-type: none"> Train and communicate with employees on the plan. Regularly evaluate the facility for compliance with the plan. Investigate any COVID-19 illness and determine if any work-related factors could have contributed to risk of infection. Identify close contacts of an infected employee and take steps to isolate COVID-19-positive employee(s) and close contacts. Train employees on how to limit the spread of COVID-19, including how to screen themselves for symptoms and stay home if they have them. Provide temperature and/or symptom screenings for all workers at the beginning of their shift and any personnel entering the facility. Encourage workers who are sick or exhibiting symptoms of COVID-19 to stay home. Provide and ensure workers use all required protective equipment. Recommend that employees wear face coverings when in the vicinity of others. Take reasonable measures to remind workers that they should use face coverings. Perform thorough cleaning in high traffic areas. When choosing cleaning chemicals, use products approved for use against COVID-19. Consider installing portable high-efficiency air cleaners, upgrading the building’s air filters to the highest efficiency possible, and making other 	<p>county has met the readiness criteria, including guidance to be issued by the county and detailed plans, and that the county is designed to mitigate the spread of COVID-19.</p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
	<ul style="list-style-type: none"> • Provide resources to promote employees’ personal hygiene. • Adjust or modify store hours to provide adequate time for regular, thorough cleaning and product stocking. • Provide time for workers to implement cleaning practices before and after shifts. • Install hands-free devices. • Encourage the use of debit or credit cards by customers. 	<p>space rather than congregating in lobbies or common areas.</p> <ul style="list-style-type: none"> • Require employees to clean and disinfect personal work areas often and supply the necessary cleaning products. • Adjust or modify hours to provide adequate time for regular thorough cleaning and disinfection of office spaces. • Avoid sharing phones, other work supplies, or office equipment wherever possible. • Where such items must be shared, disinfect between shifts or uses, whichever is more frequent. • Ensure that sanitary facilities stay operational and stocked at all times and provide additional soap, paper towels, and hand sanitizer when needed. 	<p>modifications to increase the quantity of outside air and ventilation in offices and other spaces.</p> <ul style="list-style-type: none"> • Implement measures to ensure physical distancing of at least 6 feet between workers and customers (e.g., use of physical partitions or visual cues). • Stagger employee breaks. • Close or restrict common areas, using barriers, or increasing physical distancing between tables/chairs. • Install production transfer-aiding materials to reduce person-to-person production hand-offs.

<p>Colorado</p> <p>Public Health Order 20-28 FAQs Guidance Executive Order 2020-044 Press Release</p> <p>Apr. 28, 2020</p>	<p>Beginning on <u>May 1, 2020</u>, permits retail businesses to phase-in a public opening, if they are implementing best practices.</p> <p>Requires critical retail to comply with social distancing requirements at all times, including when any customers are standing in line.</p>	<p>Permits critical businesses to continue operating, provided they:</p> <ul style="list-style-type: none"> • Comply with social distancing requirements at all times; • Adopt work from home or telework policies for any operations that can be done remotely; and • Implement other strategies (e.g., staggered schedules/redesigning workplaces) to create more distance between workers, unless doing so would make it impossible to carry out critical functions. <p>Provides that critical businesses that were open under the Stay-at-Home order may remain open with the same strict precautions (e.g., physical distancing, masks for all employees, more frequent cleanings, etc.).</p>	<p><i>Note that insurance services are deemed “critical.”</i></p> <p>Requires employers to take the following measures within the workplace to minimize disease transmission:</p> <ul style="list-style-type: none"> • Deputize a workplace coordinator(s) charged with addressing COVID-19 issues; • Maintain 6-foot separation between employees and discourage shared spaces; • Clean and disinfect all high touch areas; • Post signage for employees and customers on good hygiene; • Ensure proper ventilation; • Avoid gatherings (meetings, waiting rooms, etc.) of more than 10 people; • Implement symptom monitoring protocols, conduct daily temperature checks, and monitor symptoms in employees; • Eliminate or regularly clean and disinfect any items in common spaces that are shared between individuals; • Require employees to stay home when sick; • Provide work accommodations for vulnerable individuals; • Provide flexible or remote scheduling for employees who have child/elder care obligations, to the extent possible; • Encourage or enable remote work when possible; • Encourage breaks to wash hands; • Phase shifts and breaks to reduce density; • Provide appropriate gear like gloves, masks, and face coverings; 	<p>Does not prevent a county or municipality from adopting more protective standards than those contained in the reopening order as necessary, including—but not limited to—stay at home orders, mask wearing requirements in public, or additional protective measures.</p> <p>If adopted, provides that such measures will take effect in the county or municipality without the need for further approval by the state.</p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
		<p>Permits non-critical office-based businesses operating in an office and not a production environment to allow up to 50% of their employees to conduct in-person work that takes place outside a private residence.</p>	<ul style="list-style-type: none"> • Create special hours for vulnerable individuals; • Encourage 6-foot distancing inside of the business for all patrons; • Encourage customer use of protection like gloves and face coverings; • Provide hand sanitizer at the entrances to the greatest extent possible; and • Use contactless payment solutions, when possible. <p>Requires employers with over 50 employees in any one location to—in addition to the above requirements—implement the following:</p> <ul style="list-style-type: none"> • Implement stations for symptom screening and temperature checks. • Close common areas to disallow gatherings of employees. • Implement mandatory cleaning and disinfection protocols. • Require mandatory adherence to social distancing requirements. 	
<p>Connecticut</p> <p>Executive Order 7PP Press Release General Business Guidance Office Guidance Certification</p> <p>May 18, 2020</p>	<p>Requires retailers to:</p> <ul style="list-style-type: none"> • Stagger shift start/stop times, break times, and lunchtimes to minimize contact across employees. • Rearrange space to maintain 6+ feet of distance between customers and limit movement of employees within the facility. • Consider having designated hours for vulnerable populations. • Close or remove amenities 	<p>Requires businesses to:</p> <ul style="list-style-type: none"> • Encourage employees to continue to work from home where possible. • Share the rules for reopening with employees. • Appoint a program administrator who is accountable for implementing the rules. 	<p>Requires businesses to:</p> <ul style="list-style-type: none"> • Limit maximum occupancy to 50% of usual occupancy in any indoor space. • Post clear signage that reinforces new policies (e.g., social distancing protocols, cleaning and disinfection protocols, PPE requirements, etc.). • Install visual social distancing markers to encourage employees and customers to remain 6-feet apart in common spaces. • Rearrange space to maintain at least 6 feet of distance between customers when they may be seated. • Install touchless appliances wherever 	

State	Retail Operations	Non-Retail Operations	Both	Local Control
	<p>non-essential to businesses' main function.</p> <ul style="list-style-type: none"> • 	<ul style="list-style-type: none"> • Stagger shift start/stop times and break times to minimize contact across employees. • Limit visitors and service providers on site. • Develop cleaning checklists that incorporate these rules. • Rearrange space to maintain 6 feet of distance between employees and stagger the position of desks so employees can avoid sitting opposite each other. • Use partitions between employees where a 6-foot distance cannot be maintained. • Close or remove amenities non-essential to businesses' main function. • Encourage social distancing while using elevators. 	<p>possible (e.g., paper towel dispensers, soap dispensers, water fountains, etc.).</p> <ul style="list-style-type: none"> • Ensure employees do not share equipment, to the extent possible. • Post clear signage that includes the state hotline for employees and customers to report potential violations of these rules. • Maintain a log of employees on premise over time to support contact tracing. • Make hand sanitizer available at entrance points and common areas, where possible. • Ensure employees wash their hands routinely using soap and water for at least 20 seconds. • Make available near commonly used surfaces where possible, like high-transit surfaces and checkout counters. • Clean and disinfect frequently and implement use of cleaning log for tracking. • Make cleaning, disinfectant, and/or disposable disinfectant wipes available near commonly-used surfaces. • Complete a thorough cleaning of facility. • Increase ventilation rates and increase the percentage of outdoor air that circulates into the system where possible. • Where possible, segment workspace into discrete zones, prevent movement between zones, and close spaces where employees congregate. • Follow federal guidelines on what specific cleaning products to use and how. • Complete the self-certification on the DECD website to receive a Reopen CT badge. • Require all employees and customers to wear a facemask or other cloth face 	

State	Retail Operations	Non-Retail Operations	Both	Local Control
			<p>covering that completely covers the nose and mouth.</p> <ul style="list-style-type: none"> • Estimate required PPE for employees and begin procuring. • Provide PPE for employees. • Institute a training program and ensure employee participation in the program prior to reopen. • Ask employees resuming on-premise work to confirm they have not experienced COVID-19 symptoms and to monitor their own symptoms. • Adhere to federal guidance pertaining to paid leave for employees and provide this guidance to employees. • <u>Not</u> retaliate against workers for raising concerns about COVID-related safety and health conditions. 	
<p>Delaware</p> <p>Press Release Delaware's Reopening Plan Nineteenth Modification</p> <p>May 19, 2020</p>	<p>Beginning <u>May 20, 2020</u>, permits retailers to operate by appointment only.</p> <p>Permits retailers to open their indoor spaces at 30% of stated fire capacity beginning <u>June 1, 2020</u>.</p> <p>Requires employers to:</p> <ul style="list-style-type: none"> • Close common areas. • Prohibit gatherings or meetings of 10+ during work hours. • Permit employees to take breaks for lunch outside, in their office or personal workspace, or other areas 	<p><i>See Both Column</i></p>	<p><i>Note, the Stay at Home Order remains in effect until May 31, 2020.</i></p> <p>Advises that businesses should:</p> <ul style="list-style-type: none"> • Close common areas where personnel are likely to congregate and interact or enforce strict social distancing protocols. • Continue to have staff work from home whenever possible. • Disinfect all surfaces touched by customers using an EPA-approved disinfectant every 15 minutes to 2 hours. • Require employees to perform a daily health check as prescribed by DPH. • Make hand sanitizer or handwashing stations readily available for all employees and customers. • Give downtime between shifts and after 	<p>Permits local governments to impose greater restrictions or prohibitions on the activities of people and businesses than those imposed under the reopening plan.</p> <p>Clarifies that most of the restrictions in the reopening order are minimum requirements.</p> <p>Provides that counties and cities may deem it necessary to adopt ordinances and issue state</p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
	<p>where proper social distancing is possible.</p> <ul style="list-style-type: none"> • Restrict interactions between employees and outside visitors or delivery drivers. • Adjust training/onboarding practices to limit number of people involved and allow appropriate spacing. • Discourage the use of shared phones, desks, workstations, etc. • Install physical barriers and change layout of workspaces to ensure all individuals remain at least 6 feet apart. • Require signage an entrance of high traffic areas alerting staff and customers of occupancy limits, physical distancing requirements, and face covering policies. • Establish specific hours for high-risk populations. • Make 6-feet of spacing at checkout lines and between cashiers. 		<p>closing for thorough cleanings of an establishment at a minimum after each day.</p> <ul style="list-style-type: none"> • Post signs on how to stop the spread of COVID-19, hand hygiene, and properly wear a cloth face covering. 	<p>of emergency declarations that impose additional restrictions or prohibitions.</p>
<p>D.C.</p> <p>Reopen DC Overview Mayor’s Order 2020-067 Guidance</p> <p>May 27, 2020</p>	<p>Recommends that essential businesses:</p> <ul style="list-style-type: none"> • Implement PPE and physical distancing policies. • Allow curbside pickup. • Implement and follow current mitigation guidelines. • Encourage online shopping. 	<p><i>See Both Column</i></p>	<p><i>Note, the District’s Stay at Home Order remains in effect until May 29, 2020.</i></p> <p>Recommends that employers:</p> <ul style="list-style-type: none"> • Maintain physical distancing of at least 6 feet for employees and patrons. • Regularly clean and sanitize. • Use health screenings and protective equipment. 	<p>[Hatched area]</p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
	<ul style="list-style-type: none"> • Provide masks for all employees and customers (and gloves for employees). • Make hand sanitizer available in areas of contact. • Prohibit food or drink inside stores for customers. • Implement sanitization measures. 		<ul style="list-style-type: none"> • Ensure protections for workers and their families. • Educate employees about COVID-19. • Develop strategies for accommodating ill employees. 	
<p>Florida Executive Order 2020-112 Executive Order 2020-123 May 14, 2020</p>	<p>Permits in-store retail sales establishments that were previously affected by prior executive orders (i.e., non-essential retail) to operate at 50% of their building occupancy and abide by the safety guidelines issued by the CDC and OSHA.</p>	<p><i>See Both Column</i></p>	<p><i>Note that workers who are needed to provide, process, and maintain systems for processing, verification, and recording of financial transactions and services, including insurance services, are “essential.”</i></p>	<p>Leaves certain decisions to the discretion of local governments (e.g., beach closures).</p>
<p>Georgia Executive Order Executive Order Press Release Guidance Executive Order Executive Order May 11, 2020</p>	<p>Requires all retail businesses to implement additional measures to prevent the spread of COVID-19, including:</p> <ul style="list-style-type: none"> • Limiting the number of patrons inside the store to 50% of fire capacity or 8 patrons per 1,000 square feet. • Encouraging patrons to use hand sanitizer upon entering. • Encouraging non-cash payments when possible. • Sanitizing entrance and exit doors at least three times per day. • Encouraging workers to 	<p><i>See Both Column</i></p>	<p><i>Note that workers that provide insurance services are deemed “critical infrastructure.”</i></p> <p>Requires critical businesses that continue in-person operation to implement measures that mitigate the exposure and spread of COVID-19, which may include:</p> <ul style="list-style-type: none"> • Screening and evaluating workers who exhibit signs of illness (e.g., fever, cough, or shortness of breath). • Requiring workers who exhibit signs of illness to not report to work or to seek medical attention. • Enhancing sanitation of the workplace, as appropriate. • Disinfecting common surfaces regularly. • Requiring handwashing or sanitation by 	<p>Provides that enforcement of any county or municipal ordinance or order that is more or less restrictive than the reopening order is hereby suspended.</p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
	<p>report any safety and health concerns to the employer.</p> <ul style="list-style-type: none"> Installing protective screens or other mitigation measures where worker-patron interactions are likely. <p>Requires non-critical retail businesses to implement the following measures to mitigate the exposure of COVID-19 (some of these are also applicable to critical businesses):</p> <ul style="list-style-type: none"> Posting a sign on the storefront stating that individuals who have a fever or other symptoms of COVID-19 must not enter the store. Enforcing social distancing of non-cohabitating persons while present on the retailer’s property. For retailers, providing for alternative points of sale outside of buildings, including curbside pick-up or delivery of products and/or services if an alternative point of sale is permitted under state law. Requiring open sales registers to be at least 6 feet apart. Requiring point of sale equipment to be frequently cleaned and sanitized. Increasing physical space 		<p>workers at appropriate places within business locations.</p> <ul style="list-style-type: none"> Prohibiting gatherings of 10+ workers during work hours. Permitting workers to take breaks and lunch outside, in their office/personal workspace, or in such other areas where proper social distancing is attainable. Implementing teleworking for all possible workers. Implementing staggered shifts for all possible workers. Holding all meetings and conferences virtually, whenever possible. Delivering intangible services remotely, whenever possible. Discouraging workers from using other workers’ phones, desks, offices, or other work tools/equipment. Prohibiting handshaking and other unnecessary person-to-person contact in the workplace. Placing notices that encourage hand hygiene at the entrance to the workplace and in other workplace areas. <p>Advises that critical businesses to implement the following measures, if practicable:</p> <ul style="list-style-type: none"> Providing PPE as available and appropriate to the function and location of the worker within the business location. Providing disinfectant and sanitation products for workers to clean their workspace, equipment, and tools. Increasing physical space between worksites to at least 6 feet. 	

State	Retail Operations	Non-Retail Operations	Both	Local Control
	<p>between workers and patrons.</p> <ul style="list-style-type: none"> • Suspending the use of PIN pads, PIN entry devices, electronic signature capture, etc. to the extent permissible. 			
<p>Hawaii</p> <p>Seventh Supplementary Proclamation Press Release</p> <p>May 5, 2020</p>	<p><i>See Both Column</i></p>	<p><i>See Both Column</i></p>	<p><i>Note, workers identified in the federal guidance qualify as “essential.”</i></p> <p>Requires all essential businesses and operations to exercise the following social distancing requirements to the fullest extent possible:</p> <ul style="list-style-type: none"> • Monitor and enforce the 6-foot distancing requirement, whether outside waiting lines or as customers move about inside a facility. • Modify checkout operations, to the extent reasonably feasible, to provide a 6-foot separation or provide a transparent shield or barrier between customers and checkout clerks. • Determine the maximum number of customers that may be accommodated while maintaining the 6-foot distance and limiting the number of customers in the facility or at the operation to that maximum number at any time. • Require all employees who have any contact with customers or goods to be purchased to wear the cloth face covering recommended by the CDC while at their place of employment. • Make hand sanitizer and sanitizing products readily available for employees and customers. • Regularly disinfect all high-touch surfaces. 	<p>To ensure statewide coordination, directs all counties to obtain approval (or the approval of the Director of Hawaii Emergency Management Agency) prior to issuing any emergency order, rule, or proclamation.</p> <p>Permits counties to choose to relax stricter local orders at their own pace, in coordination with the governor’s office.</p>

State	Retail Operations	Non-Retail Operations	Both	Local Control
			<ul style="list-style-type: none"> • Implement processes to safeguard elderly and high-risk customers. • Post online whether a facility is open and how best to reach the facility and continue services by phone or remotely. • Encourage their customers to do their business remotely by phone or online to the extent possible. • Provide for, if feasible, online ordering and purchase of goods and customer pickup of orders at a location outside the facility or provide for delivery to customer locations. • Post a sign at the entrance of the facility informing all employees and customers that they should: <ul style="list-style-type: none"> – Wear CDC recommended face coverings while in the business. – Avoid entering the business if they have a cough or fever or otherwise do not feel well. – Maintain a 6-foot distance from one another. – Not shake hands or engage in unnecessary physical contact. 	
<p>Idaho</p> <p>Stay Healthy Order FAQs Idaho Rebounds Plan</p> <p>May 28, 2020</p>	<p><i>See Both Column</i></p>	<p><i>See Both Column</i></p>	<p>Requires all businesses to adhere to certain social distancing and sanitation requirements, including:</p> <ul style="list-style-type: none"> • Develop and implement measures to ensure employees and customers maintain at least six-foot physical distancing from other individuals whenever possible. • Provide adequate sanitation and personal hygiene for employees, vendors, and patrons. • Frequently disinfect commonly touched 	<p>Permits cities, counties, and public health districts to enact more stringent public health orders than those set out in the reopening order.</p> <p>Requires counties and each city to promptly provide copies of the order by:</p>
