

State Safe Harbor/Civil Immunity Legislative Tracker

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
Alaska	SB 241	ENACTED (May 18, 2020)	<i>Health care providers</i> that provide health care services (e.g., hospital, medical clinic or office, special care facility, medical laboratory, physician, pharmacist, dentist, physician assistant, nurse, paramedic, emergency medical or laboratory technician, etc.) and nursing homes.	Provides that <i>health care providers</i> and <i>PPE manufacturers</i> are not liable for civil damages resulting from an act or omission in issuing, providing, or manufacturing PPE in the event of injury or death to the user of the PPE if the PPE was issued, provided, or manufactured in good faith to respond to the COVID-19 public health disaster emergency. Requires such health care providers and PPE manufacturers to notify the user of the PPE that the equipment may not meet established federal standards and requirements.	Does not preclude liability for civil damages as a result of gross negligence, recklessness, or intentional misconduct.
District of Columbia	B23-0735	ENACTED (May 15, 2020)	Any <i>health care provider, first responder, volunteer, or District government contractor or subcontractor</i> (i.e., “providers”), including a party involved in the health care process at the request of a health care facility or the District government and acting within the scope of the provider’s employment or organization’s purpose or contractual or voluntary service, even if outside the provider’s professional scope of practice, state of licensure, or with an expired license, who: <ul style="list-style-type: none"> Prescribes or dispenses medicines for off-label use to attempt to combat the COVID-19 virus, in accordance with 	Exempts from liability in a civil action: <ul style="list-style-type: none"> A <i>health care provider, first responder, or volunteer</i> who renders care to a potential, suspected, or diagnosed individual with COVID-19 for damages resulting from such care or treatment of COVID-19 (or from any act or failure to act in providing or arranging medical treatment for COVID-19) during the public health emergency. A <i>donor of time, professional services equipment, or supplies</i> for the benefit of persons/entities providing care or treatment for COVID-19 (or care for the family members of such individuals) for damages resulting from such donating during the public health emergency. A <i>contractor or subcontractor</i> on a District government contract that has contracted to provide health care services or human care 	Does not extend the limitation on liability to acts or omissions: <ul style="list-style-type: none"> That constitute a crime, actual fraud, actual malice, recklessness, breach of contract, gross negligence or willful misconduct. Unrelated to direct patient care (except in the case of contractors and subcontractors).

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
			<p>the federal Right to Try Act.</p> <ul style="list-style-type: none"> Provides direct or ancillary healthcare services or products (e.g., direct patient care, testing, equipment, supplies, etc.). Utilize equipment or supplies out of the product’s normal use for medical practice and the provision of healthcare services to combat the COVID-19 virus. 	<p>services related to the District’s COVID-19 response.</p>	
Georgia	SB 359	SENT TO GOVERNOR (June 29, 2020)	<p>Entities including associations, institutions, corporations, companies, etc.</p> <p>Health care facility (e.g., hospitals, destination cancer hospitals, other special care units, skilled nursing facilities, surgical centers, etc.).</p> <p>Health care provider, including any physician or other person licensed to furnish health care services (e.g., dentists, podiatrists, optometrists, pharmacists, psychologists, clinical social workers, advanced practice registered nurses, etc.).</p>	<p>Establishes a rebuttable presumption of assumption of risk by a claimant in an action involving a COVID-19 liability claim against an individual or entity when:</p> <ul style="list-style-type: none"> Any receipt or proof of purchase for entry issued to a claimant by the individual or entity for entry/attendance includes the following statement in at least 10-point Arial font: “Any person entering the premises waives all civil liability against this premises owner and operator for any injuries caused by the inherent risk associated with contracting COVID-19 at public gatherings, except for gross negligence, willful and wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the individual or entity of the premises.” An individual or entity has posted at a point of entry a sign in at least 1-inch Arial font the following written warning: “Warning: Under Georgia law, there is no liability for an injury or death of an individual entering these premises if such injury or death results 	<p>Provides that the protections extended to a health care facility, health care provider, entity, or individual will not apply if the claimant proves that the actions of the facility, provider, entity, or individual showed: gross negligence, willful and wanton misconduct, reckless infliction of harm, or intentional infliction of harm.</p>

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
				<p>from the inherent risks of contracting COVID-19. You are assuming this risk by entering these premises.”</p> <p>Establishes a rebuttable presumption of assumption of risk by a claimant when a health care facility or health care provider has posted at a point of entry to the premises a sign in at least 1-inch Arial font a written warning stating: “Warning: Under Georgia law, there is no liability for an injury or death of an individual entering these premises if such injury or death results from the inherent risks of contracting COVID-19. You are assuming this risk by entering these premises.”</p>	
<p>Idaho</p> <p>*Note, this bill seems outside the scope of the liability provisions enacted in response to COVID-19. A similar bill was enacted in Maine in 2019.</p>	<p>HB 529</p>	<p>ENACTED (Mar. 19, 2020)</p>		<p>Provides that no architect, engineer, or contractor may be held liable for personal injury, wrongful death, property damage, or other loss related to any architectural, structure, electrical, mechanical, construction, design, or other professional service provided in response to a declared national, state, or local emergency, a disaster, or a catastrophic event.</p>	<p>Clarifies that limited liability will not apply if the injury, death, or damage is the result of unreasonable acts, gross negligence, or willful or wanton misconduct or if the architect, engineer, or contractor did not act as a reasonable architect, engineer, or contractor would have under the same or similar circumstances.</p>
<p>Iowa</p>	<p>SE 2338</p>	<p>ENACTED (June 18, 2020)</p>	<p>Health care providers (i.e., health care professionals, health care facilities, home health care facilities, and any other person or facility otherwise authorized to</p>	<p>Provides that any person who possesses or is in control of a premises who, directly or indirectly, invites or permits an individual onto a premises will not be liable for civil damages for any injuries sustained from the individual’s exposure</p>	<p>Clarifies that the liability protections applicable to those in control of a premises will not apply if the person:</p>

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
			<p>administer health care services or products).</p>	<p>to COVID-19.</p> <p>Clarifies that <i>a person</i> will not be held liable for civil damages for any injuries sustained from exposure or potential exposure to COVID-19 if the act or omission alleged to violate a duty of care was in substantial compliance with federal or state law, regulations, orders, or public health guidance related to COVID-19 that was applicable at the time of the alleged exposure.</p> <p>Provides that a <i>health care provider</i> will not be liable for civil damages for causing or contributing to the death or injury of an individual as a result of the provider’s acts or omissions while providing or arranging care in support of the state’s response to COVID-19.</p> <p>Provides that a <i>person that designs, manufactures, labels, sells, distributes, or donates household disinfecting or cleaning supplies, PPE, or a qualified product</i> in response to COVID-19 will not be liable in a civil action alleging personal injury, death, or property damage caused by the product or failure to provide proper instructions or sufficient warnings.</p>	<ul style="list-style-type: none"> • Recklessly disregards a substantial and unnecessary risk that the individual would be exposed to COVID-19. • Exposes the individual to COVID-19 through an act that constitutes actual malice. • Intentionally exposes the individual to COVID-19. <p>Does not extend liability protections for health care providers that constitute reckless or willful misconduct.</p> <p>Clarifies that the protections for designers and manufacturers of cleaning supplies and PPE will not apply to the person that:</p> <ul style="list-style-type: none"> • Had actual knowledge of a defect in the product and recklessly disregarded a substantial and unnecessary risk that the product would cause serious personal injury,

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
					<p>death, or serious property damage.</p> <ul style="list-style-type: none"> Made such products with actual malice.
Kansas	HB 2016	ENACTED (June 9, 2020)	<p><i>Health care providers</i> who are licensed, registered, certified, or otherwise authorized to provide health care services in the state.</p> <p><i>Adult care facility</i> (i.e., a nursing facility, assisted living facility, or residential healthcare facility).</p>	<p>Provides that a <i>health care provider</i> is immune from civil liability for damages, administrative fines, or penalties for acts, omissions, health care decisions, or the rendering of/the failure to render health care services related to the COVID-19 public health emergency.</p> <p>Provides that a <i>person (or agent thereof) conducting business in Kansas</i> will be immune from civil liability for a COVID-19 claim if the person was acting pursuant to/in substantial compliance with the public health directives applicable to the activity giving rise to the cause of action when the cause of action accrued.</p> <p>Provides that a <i>person who designs, manufactures, labels, sells, distributes, provides, or donates a qualified product</i> in response to the COVID-19 public health emergency will be immune from liability in a civil action alleging a product liability claim arising out of such qualified product if:</p> <ul style="list-style-type: none"> The product was manufactured, labeled, sold, etc. at the specific request of a written order or other directive finding a public need for such a product. The damages are not occasioned by willful, wanton, or reckless disregard of a known, substantial, and unnecessary risk that the product would cause serious injury to others. 	<p>Does not provide immunity:</p> <ul style="list-style-type: none"> When it is established that the act, omission, or health care decision constituted gross negligence or willful, wanton, or reckless conduct. To health care services not related to COVID-19 that have not been altered, delayed, or withheld as a direct response to the COVID-19 public health emergency.

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
Kentucky	SB 150	ENACTED (Mar. 30, 2020)	<p>Health care providers who:</p> <ul style="list-style-type: none"> Provide or dispense medicines for off-label use to attempt to combat COVID-19, in accordance with the federal Right to Try Act. Provide health care services, upon the request of health care facilities or public health entities, that are outside the provider’s professional scope of practice. Utilize equipment or supplies outside of the product’s normal use for medical practice and the provision of health care services. 	<p>Provides that certain health care providers who in good faith render care or treatment of a COVID-19 patient during the state of emergency will have a defense to civil liability for ordinary negligence for any personal injury resulting from said care or treatment (or for any act/failure to act in providing or arranging further medical treatment), if the health care provider acts as an ordinary, reasonable, and prudent health care provider would have acted under the same/similar circumstances.</p> <p>Separately, provides that any business that manufactures PPE or personal hygiene supplies relative to COVID-19 (e.g., masks, gowns, sanitizer) during and in response to the state of emergency and does not make or provide such products in the normal course of its business will have a defense to ordinary negligence and product liability so long as the business has acted in good faith and in an ordinary, reasonable and prudent manner under the same/similar circumstances.</p>	
Louisiana	HB 826	ENACTED (June 13, 2020)		<p>Provides that no natural or juridical person, state or local government, or political subdivision thereof will be liable for any civil damages for injury or death resulting from or related to actual or alleged exposure to COVID-19 in the course of or through the performance of the person’s, government’s, or political subdivision’s business operations.</p> <p>Specifically provides that no natural or juridical person, state or local government, or political subdivision thereof, nor specifically a business</p>	<p>Does not confer immunity on:</p> <ul style="list-style-type: none"> The person, government, or political subdivision; or The person who uses, employs, dispenses, or administers PPE, if they failed to substantially comply with the applicable COVID-19
