

## State Safe Harbor/Civil Immunity Legislative Tracker

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
Alaska	SB 241	<b>ENACTED</b> (May 18, 2020)	<i>Health care providers</i> that provide health care services (e.g., hospital, medical clinic or office, special care facility, medical laboratory, physician, pharmacist, dentist, physician assistant, nurse, paramedic, emergency medical or laboratory technician, etc.) and nursing homes.	Provides that <i>health care providers</i> and <i>PPE</i> <i>manufacturers</i> are not liable for civil damages resulting from an act or omission in issuing, providing, or manufacturing PPE in the event of injury or death to the user of the PPE if the PPE was issued, provided, or manufactured in good faith to respond to the COVID-19 public health disaster emergency. Requires such health care providers and PPE manufacturers to notify the user of the PPE that the equipment may not meet established federal standards and requirements.	Does not preclude liability for civil damages as a result of gross negligence, recklessness, or intentional misconduct.
District of Columbia	B23- 0735	ENACTED (May 15, 2020)	Any <i>health care provider,</i> <i>first responder, volunteer,</i> <i>or District government</i> <i>contractor or subcontractor</i> (i.e., "providers"), including a party involved in the health care process at the request of a health care facility or the District government and acting within the scope of the provider's employment or organization's purpose or contractual or voluntary service, even if outside the provider's professional scope of practice, state of licensure, or with an expired license, who: • Prescribes or dispenses medicines for off-label	<ul> <li>Exempts from liability in a civil action:</li> <li>A <i>health care provider, first responder, or volunteer</i> who renders care to a potential, suspected, or diagnosed individual with COVID-19 for damages resulting from such care or treatment of COVID-19 (or from any act or failure to act in providing or arranging medical treatment for COVID-19) during the public health emergency.</li> <li>A <i>donor of time, professional services equipment, or supplies</i> for the benefit of persons/entities providing care or treatment for COVID-19 (or care for the family members of such individuals) for damages resulting from such donating during the public health emergency.</li> <li>A <i>contractor or subcontractor</i> on a District government contract that has contracted to provide health care services or human care services related to the District's COVID-19 response.</li> </ul>	<ul> <li>Does not extend the limitation on liability to acts or omissions:</li> <li>That constitute a crime, actual fraud, actual malice, recklessness, breach of contract, gross negligence or willful misconduct.</li> <li>Unrelated to direct patient care (except in the case of contractors and subcontractors).</li> </ul>

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
			<ul> <li>use to attempt to combat the COVID-19 virus, in accordance with the federal Right to Try Act.</li> <li>Provides direct or ancillary healthcare services or products (e.g., direct patient care, testing, equipment, supplies, etc.).</li> <li>Utilize equipment or supplies out of the product's normal use for medical practice and the provision of healthcare services to combat the COVID-19 virus.</li> </ul>		
Idaho *Note, this bill seems outside the scope of the liability provisions enacted in response to COVID-19. A similar bill was enacted in Maine in 2019.	HB 529	<b>ENACTED</b> (Mar. 19, 2020)	Image: Section of the sectio	Provides that no <i>architect, engineer, or contractor</i> may be held liable for personal injury, wrongful death, property damage, or other loss related to any architectural, structure, electrical, mechanical, construction, design, or other professional service provided in response to a declared national, state, or local emergency, a disaster, or a catastrophic event.	Clarifies that limited liability will not apply if the injury, death, or damage is the result of unreasonable acts, gross negligence, or willful or wanton misconduct or if the architect, engineer, or contractor did not act as a reasonable architect, engineer, or contractor would have under the same or similar circumstances.
Iowa	SF 2338	<b>ENACTED</b> (June 18, 2020)	<i>Health care providers</i> (i.e., health care professionals, health care facilities, home	Provides that <i>any person who possesses or is in control of a premises</i> who, directly or indirectly, invites or permits an individual onto a premises will <u>not</u> be liable	Clarifies that the liability protections applicable to those in control of a

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
			health care facilities, and any other person or facility otherwise authorized to administer health care services or products).	for civil damages for any injuries sustained from the individual's exposure to COVID-19. Clarifies that <i>a person</i> will not be held liable for civil damages for any injuries sustained from exposure or potential exposure to COVID-19 if the act or omission alleged to violate a duty of care was in substantial compliance with federal or state law, regulations, orders, or public health guidance related to COVID-19 that was applicable at the time of the alleged exposure. Provides that a <i>health care provider</i> will not be liable for civil damages for causing or contributing to the death or injury of an individual as a result of the provider's acts or omissions while providing or arranging care in support of the state's response to COVID-19. Provides that a <i>person that designs, manufactures, labels, sells, distributes, or donates household</i> <i>disinfecting or cleaning supplies, PPE, or a qualified</i> <i>product</i> in response to COVID-19 will not be liable in a civil action alleging personal injury, death, or property damage caused by the product or failure to provide proper instructions or sufficient warnings.	<ul> <li>premises will not apply if the person:</li> <li>Recklessly disregards a substantial and unnecessary risk that the individual would be exposed to COVID-19.</li> <li>Exposes the individual to COVID- 19 through an act that constitutes actual malice.</li> <li>Intentionally exposes the individual to COVID-19.</li> <li>Does not extend liability protections for health care providers that constitute reckless or willful misconduct.</li> <li>Clarifies that the protections for designers and manufacturers of cleaning supplies and PPE will not apply to the person that:</li> <li>Had actual knowledge of a defect in the product and recklessly disregarded a substantial and unnecessary risk that the product would</li> </ul>

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
					<ul> <li>cause serious personal injury, death, or serious property damage.</li> <li>Made such products with actual malice.</li> </ul>
Kansas	HB 2016	<b>ENACTED</b> (June 9, 2020)	Health care providers who are licensed, registered, certified, or otherwise authorized to provide health care services in the state. Adult care facility (i.e., a nursing facility, assisted living facility, or residential healthcare facility).	<ul> <li>Provides that a <i>health care provider</i> is immune from civil liability for damages, administrative fines, or penalties for acts, omissions, health care decisions, or the rendering of/the failure to render health care services related to the COVID-19 public health emergency.</li> <li>Provides that a <i>person (or agent thereof) conducting business in Kansas</i> will be immune from civil liability for a COVID-19 claim if the person was acting pursuant to/in substantial compliance with the public health directives applicable to the activity giving rise to the cause of action when the cause of action accrued.</li> <li>Provides that a <i>person who designs, manufactures, labels, sells, distributes, provides, or donates a qualified product</i> in response to the COVID-19 public health emergency will be immune from liability in a civil action alleging a product liability claim arising out of such qualified product if:</li> <li>The product was manufactured, labeled, sold, etc. at the specific request of a written order or other directive finding a public need for such a product.</li> <li>The damages are not occasioned by willful, wanton, or reckless disregard of a known, substantial, and unnecessary risk that the product would cause serious injury to others.</li> </ul>	<ul> <li>Does not provide immunity:</li> <li>When it is established that the act, omission, or health care decision constituted gross negligence or willful, wanton, or reckless conduct.</li> <li>To health care services not related to COVID-19 that have not been altered, delayed, or withheld as a direct response to the COVID-19 public health emergency.</li> </ul>

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
Kentucky	<u>SB</u> 150	<b>ENACTED</b> (Mar. 30, 2020)	<ul> <li><i>Health care providers</i> who:</li> <li>Provide or dispense medicines for off-label use to attempt to combat COVID-19, in accordance with the federal Right to Try Act.</li> <li>Provide health care services, upon the request of health care facilities or public health entities, that are outside the provider's professional scope of practice.</li> <li>Utilize equipment or supplies outside of the provision of health care services and the provision of health care services.</li> </ul>	Provides that <i>certain health care providers</i> who in good faith render care or treatment of a COVID-19 patient during the state of emergency will have a defense to civil liability for ordinary negligence for any personal injury resulting from said care or treatment (or for any act/failure to act in providing or arranging further medical treatment), if the health care provider acts as an ordinary, reasonable, and prudent health care provider would have acted under the same/similar circumstances. Separately, provides that <i>any business that manufactures PPE or personal hygiene supplies relative to COVID-19</i> (e.g., masks, gowns, sanitizer) during and in response to the state of emergency and <i>does not make or provide such products in the normal course of its business</i> will have a defense to ordinary negligence and product liability so long as the business has acted in good faith and in an ordinary, reasonable and prudent manner under the same/similar circumstances.	
Louisiana	HB 826	<b>ENACTED</b> (June 13, 2020)		Provides that no <i>natural or juridical person, state or</i> <i>local government, or political subdivision thereof</i> will be liable for any civil damages for injury or death resulting from or related to actual or alleged exposure to COVID-19 in the course of or through the performance of the person's, government's, or political subdivision's business operations. Specifically provides that no <i>natural or juridical</i> <i>person, state or local government, or political</i> <i>subdivision thereof, nor specifically a business event</i> <i>strategist; association meeting planner; corporate</i> <i>meeting planner; independent trade show organizer or</i>	<ul> <li>Does not confer immunity on:</li> <li>The person, government, or political subdivision; or</li> <li>The person who uses, employs, dispenses, or administers PPE, if they failed to substantially comply with the applicable COVID-19 procedures established by</li> </ul>

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
				<ul> <li><i>owner; or any other entity hosting, promoting, producing, or otherwise organizing an event of any kind</i> will be liable for any civil damages for injury or death resulting from or related to actual or alleged exposure to COVID-19 in the course of/through the performance of hosting, promoting, producing, or otherwise organizing, planning, or owning a tradeshow, convention, meeting, association produced event, corporate event, sporting event, or exhibition of any kind.</li> <li>Separately, provides that neither of the following will be liable for civil damages for injury or death caused by PPE:</li> <li><i>Natural or juridical person that designs, manufactures, labels, or distributes PPE</i> in response to the COVID-19 public health emergency.</li> <li><i>Natural or juridical person who uses, employs, dispenses, or administers PPE</i></li> </ul>	<ul> <li>federal, state, or local agency which governs the business operations or PPE and the injury or death was caused by the person's, government's, or political subdivision's gross negligence or wanton reckless misconduct.</li> <li>Does not confer immunity if the damages were caused by the gross negligence or willful or wanton misconduct of:</li> <li>The business event strategist, association meeting planner, etc.</li> <li>The designer, manufacturer, distributor, etc. of PPE.</li> </ul>
	SB 435	<b>ENACTED</b> (June 12, 2020)		Provides that no <i>natural or juridical person, state or</i> <i>local government, or political subdivision thereof</i> will be liable for any civil damages for injury or death resulting from or related to actual or alleged exposure to COVID-19 in the course of or through the performance of the person's, government's, or political subdivision's business operations.	Does not confer immunity on the person, government, or political subdivision if they failed to substantially comply with the applicable COVID-19 procedures established by federal, state, or local agency which governs the business operations and the injury or death was caused by their gross

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
					negligence or wanton reckless misconduct.
	SB 508	ENACTED (June 12, 2020)	<i>Restaurants</i> (i.e., eating establishments that vie or offer for retail sale prepared food to the public within its premises).	<ul> <li>Provides that no <i>owner, operator, employee, contractor or agent of a restaurant</i> which is in substantial compliance with:</li> <li>The state's reopening order and any subsequent related proclamations; and</li> <li>Applicable COVID-19 procedures established by federal, state, or local agencies</li> <li>will be civilly liable for injury or death due to COVID-19 infection transmitted through the preparation and serving of food and beverage products by the restaurant during the COVID-19 public health emergency.</li> </ul>	Does not confer immunity if the injury or death was caused by gross negligence or willful and wonton misconduct.
	SB 491	ENACTED (June 12, 2020)		Provides that, during a declared state of emergency, any <i>natural or juridical person</i> who renders disaster relief, recovery services, or products outside of the typical course and scope of their operations in coordination with federal, state, or local government will not be liable to recipient for any injury or death or a person or nay damage to property resulting therefrom.	Does not confer immunity in the event of gross negligence or willful misconduct.
Massachusetts	SB 2640	<b>ENACTED</b> (Apr. 17, 2020)	Health care facilities (e.g., hospitals, state hospitals, mental health centers, psychiatric hospitals, skilled nursing facilities, etc.). Health care professionals, whether acting as an agent, volunteer, contractor, employee, or otherwise, who are:	<ul> <li>Provides that <i>health care professionals and health care facilities</i> will be immune from suit and civil liability for any damages alleged to have been sustained by an act or omission by the health care professional or health care facility in the course of providing health care services during the COVID-19 emergency, provided that:</li> <li>The health care facility or health care professional is arranging for or providing health care services pursuant to a COVID-19 emergency rule and in accordance with otherwise applicable law.</li> <li>Arranging for or providing care or treatment of the</li> </ul>	<ul> <li>Clarifies that the immunity will not apply:</li> <li>If the damage was caused by an act or omission constituting gross negligence, recklessness, or conduct with an intent to harm or to discriminate based on race, ethnicity,</li> </ul>

State	Bill	Status	Application of Safe Harbor	Safe Harbor	Exceptions
			<ul> <li>Authorized to provide health care services pursuant to licensure or certification.</li> <li>A student or trainee in their approved medical professional services academic training program.</li> <li>A nursing attendant or certified nursing aid.</li> <li>A nurse or home health aide.</li> </ul> <b>Volunteer organization</b> that makes its facility available to support the state's response and activities during the COVID-19 emergency.	<ul> <li>individual was impacted by the health care facility's or health care professional's decisions or activities in response to treatment conditions resulting from the COVID-19 outbreak or COVID-19 emergency rules.</li> <li>The health care facility or health care professional is arranging for or providing health care services in good faith.</li> <li>Separately provides that a <i>volunteer organization</i> will be immune from suit and civil liability for any damages occurring in or at the volunteer organization's facility where the damage arises from uses the facility for the state's response and activities related to the COVID-19 emergency.</li> </ul>	<ul> <li>national origin, religion, disability, sexual orientation, or gender identity by a health care facility or health care professional providing health care services.</li> <li>To consumer protection actions brought by the attorney general.</li> <li>To false claims actions brought by or on behalf of the state.</li> <li>Clarifies that the immunity will not apply to a volunteer organization if it is established that the damages were caused by the volunteer organization's gross negligence, recklessness, or conduct with an intent to harm.</li> </ul>
Mississippi	SB 3049	<b>ENACTED</b> (July 8, 2020)	<ul> <li><i>Health care facility</i> (i.e., any facility in which health care services are provided).</li> <li><i>Health care professional</i> who is licensed, registered, permitted, or certified to</li> </ul>	Provides that any <i>health care professional</i> or <i>health</i> <i>care facility</i> will be immune from suit for injury or death sustained because of their acts or omissions while providing health care services related to the COVID-19 state of emergency.
